

Life after stroke in Scotland – RESEARCH PRIORITIES Priority Setting Meeting

Room A423, 4th Floor,
Govan Mbeki Building
Glasgow Caledonian University

Wednesday 16th November 2011
09.30 – 16.00

Workshop objectives:

1. To give an overview of the priority setting process and work so far
2. To reflect on, and discuss participants' views of the life after stroke treatment uncertainties short list
3. To priority order the short list through group work, noting areas of agreement and disagreement throughout and together agree the **10 most important treatment uncertainties**
4. To consider next steps in order to take the Top 10 forward for research funding.

AGENDA:
